ABOUT FILMS

A MAN FOR ALL CANADIANS. RAMON JOHN HNATYSHYN - 24TH GOVERNOR GENERAL OF CANADA.

A Man for All Canadians examines the life of Ramon John Hnatyshyn, the 24th Governor General of Canada, through the eyes of his family and friends. His story is also the legacy of the Hnatyshyn family, of how they came to Canada, of how they succeeded. Ray Hnatyshyn loved his family, he loved his country, he loved his work

and he loved life. Ray Hnatyshyn was a decent, delightful, fair-minded person, proud of the Canada he so well served, who opened his heart and welcomed people with his affable personality. This documentary features interviews with former Prime Ministers Joe Clark and Brian Mulroney, broadcaster Peter Mansbridge and the friends and family of Ray Hnatyshyn.

MUSIC OF SURVIVAL. THE STORY OF THE UKRAINIAN BANDURIST CHORUS.

The story of the Ukrainian Bandurist Chorus is one of incredible courage and true grit – a vivid chronicle that celebrates the human spirit. This is the triumphant story of the original seventeen members of the Ukrainian Bandurist Chorus who were forcibly transported to OST (Ostarbeiter) slave-labour camps in Germany in 1942 and survived World War II as a group. Their gift of music eventually carried them across the ocean to freedom to America in 1949. The Chorus thrives to this day upon the foundation these artists forged for future generations.
